Subject: State Department regulations approval

Wilmarie:

Please address the following regarding the attached statement submitted with PR's SPA application:

1. The approval is in Spanish. All submitted SPA documents must be in English.
2. The approval covers the Spanish version of the regulations, with English version to follow. The official, approved version of the regulations must be in English.
3. We need a certification that the English and Spanish versions are equivalent (from Department of State or another entity).

I will be out of the office beginning tomorrow 11/15/18 returning on 12/03/18.

Happy Thanksgiving!

Dennis
